WIZXON Company Profile

Incorporated in India in 2020, WIZXON built its trading, sourcing, supply and agricultural investment business in the Indian market and has operated in the Kingdom of Saudi Arabia since 2022, delivering construction and contracting work for clients in the Kingdom, including civil works, MEP installation, interior fit-out and manpower supply.

Today WIZXON brings together five lines of business: contracting & construction material supply, IT solutions, agricultural laboratory services, medical equipment and supplies, and import and export. Backed by our project experience in Saudi Arabia and trusted partners among leading international manufacturers and technology firms, we serve government and private-sector clients in Saudi Arabia, across the Middle East and in India.

Our Vision

To be a trusted partner in the economic growth of the markets we serve, recognised for quality, timely delivery and lasting value.

Our Mission

To meet the economic and development needs of our clients by supplying quality construction materials, medical equipment, agricultural laboratory services, IT solutions and trade services, executed on time, at competitive prices and with complete client satisfaction.

Purpose

Supporting economic growth through innovation, supplying the materials, equipment and IT solutions our clients need to build, modernise and grow.

Who We Serve

Government entities, contractors, healthcare providers, agricultural institutions and businesses.

How We Compete

Proven quality, timely execution, competitive pricing and one accountable company for every engagement.

Our Core Values & Structure

Client Satisfaction

We listen to our clients and measure our success by their satisfaction.

Quality

We supply and deliver to recognised standards, without compromise.

Timely Delivery

We plan carefully and complete every commitment within the agreed time.

Value for Money

We offer competitive prices that create lasting value for our clients.

Integrity & Ethics

We act with honesty, objectivity and professional care, in full compliance with the law.
